Our Mission & Vision

Our Mission

To deliver reliable, compliant, and cost-effective facility management solutions that ensure operational excellence for every client we serve across the Kingdom of Saudi Arabia.

We are committed to upholding the highest standards of service quality, regulatory compliance, and client satisfaction — every day, on every project.

Our Vision

To become one of Saudi Arabia's most trusted and technically advanced facility management partners — recognized for our innovation, integrity, and unwavering commitment to operational excellence.

We aspire to set the benchmark for the industry, empowering our clients to focus on their core business while we take care of everything else.

Our Core Services

We offer a full spectrum of facility management services engineered for Saudi Arabia's commercial, industrial, and government environments. Every service is delivered by certified professionals adhering to local and international standards.

HVAC Services

Installation & maintenance engineered for Saudi Arabia's extreme climate conditions.

Electrical Maintenance

Certified inspections, upgrades, and electrical system management.

Plumbing Services

Industrial & commercial plumbing systems installation and repair.

Fire Fighting Systems

Saudi Civil Defense compliant fire safety systems and maintenance.

CCTV & Security

Advanced surveillance and integrated monitoring solutions.

Housekeeping Services

Industrial and corporate cleaning to the highest hygiene standards.

Pest Control

Integrated pest management programs for all facility types.

Waterproofing Services

Leak and moisture protection for roofs, basements, and structures.

Shutter Doors & Dock Levellers

Industrial access systems installation, maintenance, and repair.

Floor Repair & Epoxy

Industrial flooring solutions for durability and safety compliance.

Annual Maintenance Contracts (AMC)

Our Annual Maintenance Contracts are designed to give organizations across Saudi Arabia a single, reliable partner for all facility management needs — delivering consistent performance, cost predictability, and regulatory peace of mind throughout the year.

Preventive Maintenance Programs

Scheduled inspections and servicing to prevent costly breakdowns before they occur.

Cost Optimization

Bundled AMC pricing provides significant savings over ad-hoc service calls.

Reduced Downtime

Proactive management keeps your operations running without interruption.

24/7 Emergency Support

Round-the-clock rapid response team available for any urgent facility issue.

Customized Service Plans

Tailored AMC packages designed around your facility's unique operational requirements.

- 📄 **Contact our team today** to receive a customized AMC proposal aligned with your facility's scope, size, and regulatory requirements.

Industries We Serve

Macro Solutions Company has built deep expertise across the most demanding sectors in the Kingdom. Our teams are trained to meet the unique compliance, operational, and safety requirements of each industry we serve.

Oil & Gas Facilities

Certified maintenance for upstream and downstream petrochemical environments.

Industrial Warehouses

End-to-end facility management for large-scale logistics and storage operations.

Commercial Buildings

Full-service FM solutions for corporate offices and commercial towers.

Shopping Malls

High-footfall retail environments requiring 24/7 operational uptime.

Hospitals & Healthcare

Sterile, compliant, and technically precise maintenance for healthcare facilities.

Government Buildings

Reliable FM services meeting all Saudi governmental compliance standards.

What Our Clients Say

Our reputation is built on results and relationships. Here is what decision-makers at leading Saudi organizations say about partnering with Macro Solutions Company for their facility management needs.

"Macro Solutions has been our facility management partner for over four years. Their team consistently delivers preventive maintenance on schedule, their technicians are certified and professional, and their 24/7 emergency response has saved us on multiple critical occasions. We would not trust our facilities to anyone else."

Eng. Khalid Al-Rashidi

Director of Facilities, Saudi Industrial Corporation

"Since signing our Annual Maintenance Contract with Macro Solutions, we have seen a measurable reduction in unplanned downtime and a significant improvement in overall facility performance. Their compliance with Civil Defense and ISO standards gives our management team full confidence in every service they deliver."

Ms. Noura Al-Ghamdi

Head of Procurement & Contracts, Gulf Commercial Real Estate Group

"We engaged Macro Solutions for our HVAC, fire fighting systems, and housekeeping services across three of our facilities in Riyadh and Jeddah. The quality of their work, attention to detail, and transparent reporting exceed what we experienced with previous contractors. Highly recommended for any large-scale facility operation."

Mr. Tariq Al-Otaibi

VP of Operations, National Logistics & Warehousing Co.
